

Capability Statement

Aluksons Business Solutions LLC

Business thinking. Technical expertise. Practical solutions.

319 Clematis St., Ste. 300, West Palm Beach, FL 33401

info@aluksons.com +1 (954) 687-1492 www.aluksons.com

Aluksons is a US-based business and technology consulting company helping organizations address operational and technology challenges. Our aim is to make technology Easy, Affordable and Secure for You.

Core competencies

AI & process automation

Workflow assessment, intelligent applications, CRM and business-process integration.

Cloud & technical operations

Azure/cloud planning, network and security engineering, managed support and collaboration.

Digital product delivery

Websites, applications, intranets and digital communication experiences.

Business & technology advisory

Strategy, market research, growth planning, risk assessment and training.

How we approach the work

Connect business priorities with technical decisions. Establish an appropriate scope around the organization's people, tools and constraints. Discuss delivery responsibilities, security requirements and support expectations before committing.

Selected published experience

MyChoiceRX Pharmacy

Networking, security architecture and implementation.

RJMultiservices

Infrastructure, telephony and remote-work enablement.

Maison David Attia

Consulting, strategy and marketing for US expansion.

Company-published examples. Engagement scope and references are subject to confirmation. Individual prior employment is not presented as company contract history.

Product development

Microfinance Pro

First prize, Best Digital Transformation Initiative, Togo Digital Awards 2023. Independently reported by CIO Mag in February 2024.

Procurement information

UEI, CAGE, NAICS/PSC codes, SAM registration status, certifications, contract vehicles and current delivery capacity have not been verified for this draft. No eligibility, set-aside or security-clearance status is claimed. Request the relevant verified documentation before relying on it for procurement.

Prepared for owner review. Not a quotation or certification.
